LICENSES AND PERMITS

3. All Star Bar and Grill

In that on March 28, 2007 at approximately 0203 hours, while on routine patrol on Airport Road Sgt. Jeffrey Enos observed several vehicles in the lot of All Star Bar and Grill. As Sgt. Enos pulled up to the front window and spot lighted the interior of the restaurant/bar he observed a few people inside ducking down by the pool tables. Sgt. Enos notified dispatch to send another unit. Sgt. Enos proceeded to the front door of the establishment and after knocking was met by the owner and the bartender. They both stated that they were closing up.

Sgt. Enos then asked where the girls went, the owner looking surprised and stated that there weren't any. Sgt Enos then advised them that he had seen people inside crouching and walking to the rear of the bar. The owner then stated it was his girlfriend and that they were closing up. Officer Paul Wells then arrived and was advised by Sgt. Enos of the situation. Sgt. Enos then proceeded to look for the establishment licenses for the liquor check and then a cursory check of the interior where he first made the observations. It was at that point that Sgt. Enos noticed a drink on the pool table that was about half full with fresh ice and a pink substance. He also noticed that the locks for the pool tables were off and on the floor giving total access to the balls. He then noticed a piece of jewelry on top of the other pool table. Upon approaching the back room, grill/kitchen area he observed three girls squatting as if they were trying to hide. The three were advised to get up and walk to the front room and to show identification. A couple of the girls stated they had left their id's in the car. They were advised to get it and to return. One of the three girls fled. It was determined that the two girls were

both under the age of 21. Sgt. Enos took one of the girls with him to locate the girl. After 25 minutes the third girl was located and returned to the establishment. Officer Wells detained her to speak with her and determine why she had left. She eventually stated that she had been served a drink and knew she was underage and did not want to get herself or the owner in trouble. No charges were filed. All four girls were employees of Hooters located next door.

After a thorough license search it was noted that there were no licenses shown for the 2 pool tables.

It should be noted that after the warning the owner called licensing and was told the rules he needed to follow.

At this time there were no charges being brought against the owner or manager in reference to serving the minor aged customer's alcohol due to the fact that we could not prove that they were drinking in the bar.

Due to the aforementioned facts, the management of All Star Bar and Grill are in violation of the following rules and regulations issued by the Board of Public Safety for the orderly operation of liquor establishments.

Article #9 Clearance of Premises and Associated Areas:

A. All patrons shall leave the licensed premises within one-half hour after the required closing time, and all employees shall leave the licensed premises within one hour after the required closing time, and all employees and patrons shall leave the associated parking and outside areas within one hour after the required closing time.

The individual in receipt of this notice is responsible to notify any and all persons with an interest in this licensed liquor establishment.
